KDOT Project No. 70-105 KA-1003-05

Public Open House

Tuesday, July 30, 2013
5 to 7 p.m.

Bonner Springs High School
100 McDaniel
Bonner Springs, Kansas 66012

The Kansas Department of Transportation (KDOT) is hosting a public open house to share information about the construction of Phase 1 of the K-7 and I-70 Interchange project in Bonner Springs. Phase 1, construction, involves building the west half of the new Interchange by adding the southwest and northwest loop ramps, installing a new traffic signal at the K-7 and Speaker Road intersection, and removing the overpass and existing I-70 ramps from the southeast quadrant of the existing interchange. Construction of Phase 1 begins this summer. Stop by the July 30th open house anytime between 5 and 7 p.m. to learn more about the project. Identical short presentations will be given at 5:20 and 6:20 p.m. **See you soon!**

For more information, visit the project website at www.k7andi70interchange.org and KDOT's T-WORKS program website at www.ksdot.org/tworks.org.

NOTE: The meeting location is ADA accessible. Persons in need of a sign language interpreter, an assistive listening device, large print or Braille material, or other accommodation to participate in this meeting should notify Kim Qualls, KDOT Public Affairs Manager at (785) 296-3881 and kqualls@ksdot.org; or (785) 296-3585 (Voice)/Hearing Impaired - 711. It would be appreciated if your accommodation request was made at least two weeks in advance of the meeting.
