

K-7 Corridor Management Study

| | | | |
|---|-----------|--|-----------|
| Executive Summary | 1 | Access Management/Corridor Preservation Tools | 29 |
| | | Introduction | 29 |
| | | Access Management Tools | 29 |
| | | Corridor Preservation Tools | 30 |
| Study Introduction and Approach | 2 | Cost Estimates | 32 |
| History of the K-7 Corridor Study | 2 | Introduction | 32 |
| Purpose and Objectives | 2 | Constructible Sections | 32 |
| Limits | 3 | Per Mile Breakdown | 32 |
| Approach and Schedule | 5 | Segment Costs | 33 |
| Meetings | 6 | Memorandum of Understandings and Next Steps | 35 |
| Meetings and Workshops | 6 | Memorandum of Understanding | 35 |
| Presentations | 6 | Corridor Review Committee | 35 |
| Surveys | 6 | Innovative Financing | 35 |
| Traffic Analysis | 9 | Parcel Maps | 37 |
| Traffic and Land Use | 9 | Corridor Preservation/Access Management | 37 |
| Study Methodology | 9 | Permanent Improvements | 37 |
| Land Use | 9 | Interim Improvements | 37 |
| Existing Land Use | 10 | Appendix | 39 |
| Future Land Use for 2030 and Ultimate Build Out | 10 | Appendix Sheet Guide | 39 |
| The Economics of Mobility vs. Accessibility | 12 | A. K-7 Mainline Plate Drawings | 40 |
| Travel Model | 12 | B. Intersection Plate Drawings | 55 |
| Traffic Analysis | 15 | | |
| Operational Analysis | 22 | | |
| Street Network | 25 | | |
| Introduction | 25 | | |
| K-7 Corridor | 25 | | |
| Local Street Network | 25 | | |
| Implementation | 27 | | |
| Segment 1 Summary | 27 | | |
| Segment 2 Summary | 28 | | |
| Segment 3 Summary | 28 | | |
